

## **Warning – unofficial exhibitor directories**

We would like to inform you that numerous suppliers have issued **so-called "unofficial exhibitor directories"**.

**These directories have nothing to do with the official exhibitor directory as issued by the rightful organiser Messe Frankfurt Japan Limited.**

These companies are trying to get you to pay for an entry in their exhibitor directory using the subject heading of "data update". If you want to appear only in the official exhibitor directory as issued by Messe Frankfurt Japan Limited, then please decline these offers.

The official exhibitor directory as well as all online media is strictly issued by Messe Frankfurt Japan Limited.

If you are not sure whether a form you have is from one of our trade fairs, then you can fax it to us, including your contact information.
